- NHS Adviser
- Joanne Mulvey – High School Math Teacher
- 12th year at Agora Cyber Charter School
- NHS Co-Adviser
- Frank Nagy – High School Assistant Principal
- 9th year at Agora Cyber Charter School
- 10th Grade AP & HS Math Supervisor

- Free, public cyber charter school
- We are a school of choice for our students who all live in the Commonwealth of Pennsylvania and serve a diverse population
 - 70% of our students qualify for free and reduced lunch
 - 30% of our students have an IEP
- Our teachers deliver daily, live, synchronous online instruction that is designed to engage our students and provide a sense of community.
 - Our format promotes the key themes of digital citizenship
- Current enrollment is approximately 5,800 students in grades K-12

1. August - Cumulative grade point averages pulled with 3.4 or higher.
2. Invites sent to students via school email (cc parents) first week of school. Approx. 335 students.
3. Students complete Candidate Form and essay (within the first 2 weeks of school).
4. The NHS faculty council takes time to review applications and essays.
5. By October 1st students are chosen following the pillars of NHS (97 students).
6. Induction is done online within 2 weeks after students chosen.

- Date is chosen which is best for all administration within the school.
- Induction is held online with students, parents, administration and teachers.
- The induction is put together by the adviser, co-adviser and NHS officers (PowerPoint).
- Most of the induction is conducted by adviser, co-adviser and NHS officers.

- NHS run by Adviser, Co-Adviser, and NHS Faculty Council.
- All communication goes through our school email system.
- Elections completed by sending communication/meeting and having them make a slide of whom interested in being an officer.
- Monthly meetings held with NHS faculty and students. We are in the process of adapting to a more effective online version of parliamentary procedure.

- Email (teacher to student and student to teacher only; students cannot send email to each other through the school system)
 - Google
 - Classrooms
 - Phone calls
- 
- A decorative graphic on the right side of the slide, consisting of several overlapping, curved, light gray shapes that resemble stylized flames or abstract organic forms.

- Service hours are collected through google forms. Students submit hours, along with signatures and pictures.
- Volunteering locally to their homes or within their communities, homes, and families.

Agora currently offers service hour opportunities such as:

- Elementary Mentor Program
- Assembly Committee
- Agora Elves
- Buddy Program
- Canned food collection
- Tutoring weekly
- Literacy Program (Covid – 19)
 - slide of appreciation for teachers and administrators during the time
 - Making videos and sharing for students/staff

Inductee Announcement—The chapter adviser or a member of the school administration must announce the list of new inductees.

Acceptance of the Membership Pledge—Inductees must recite or otherwise confirm your chapter's [membership pledge](#).

Official Conferring of Membership—Membership must be bestowed upon new members by an official document, an official announcement, or a token of membership such as a pin.

Written Documentation—Inductee announcements and the conferring of membership can be completed by publishing written documents on school websites and/or sent via email. Affirmation of membership can be collected via a form with signature from each inductee.

Audio/Visual Recordings—Announcements and membership pledges can be pre-recorded and distributed virtually.

Virtual Meeting or Live Streaming—A virtual meeting or livestreamed event can allow multiple inductees to participate in a live ceremony.
